YWCA of Princeton is looking for volunteer photographers for various events

PHOTO PARTNER WANTED

Looking for photographer to share a photo business. Judy Dinnerman’s specialty is Pet Photography and maybe you have the same interest but other possibilities are possible.

=====

The First Bid Auction has now received several \$20 donations allowing the Club to offer Homefront and Family and Children's Achievement or other artwork.

We wish to encourage more members to offer this type of donation to the RWJ Auxiliary before we ask either organization to come and pick up the artwork. They are nice to present to them but there are many more we could donate with your help.

If you do not want the artwork yourself please send \$20; make check payable to Princeton Photography Club and mail to: Geisler, 1 Hunters Run, Princeton, NJ 08542

Princeton Photography Club, RWJ Auxiliary, Homefront, and Family Achievement all gain from your \$20 donation.

Manhattanhenge, Sunset in NYC, July 11

Somerset Photography Meet-up at Grand Central Station

Only twice a year does the sun line up with the street grid in NYC and you can photograph the setting sun in the middle of the street and glowing off the buildings. If the weather cooperates, it looks great.

Anyone wanting to do this, contact Judy Dinnerman at 609-865-1111

Photographers needed for Special Olympics New Jersey, June 10-12

My name is Sean Wallach and I'm a communications assistant at Special Olympics New Jersey. It's a recent task of mine to seek out photographers for the Summer Games at TCNJ. I came across your Facebook page and your website and wanted to reach out and see if you may be able to spread the word amongst your members. We're looking for volunteer photographers to come and help capture the amazing moments between our athletes, coaches and spectators.

I believe capturing these moments and capturing sport can often be a challenging task and will certainly help any photographer grow. I'm sure that your style is very different from the style of many of the photographers in your group but we encourage creative expression and the photographers own unique perspective. We've been blessed to have some truly inspiring photographer volunteers over the years but now as we continue to grow we're looking to grow the photographer community inside Special Olympics. Any help would be greatly appreciated and I'm sure your connections within the photography community could help point us in the right direction.

The dates of the event are JUNE 10-12 at TCNJ, Mercer Park, Schafer Gymnastics and our SONJ Sports Complex. If you're interested I would love to provide specific details to pass along!

Thanks you,

Sean Wallach

Photographers needed for an event on Sunday, June 26th.

On the day, we will be holding our [Princeton Tour de Cure and Step Out Walk](#) on the campus of Novo Nordisk in Plainsboro. We will have around 1500 walkers coming together to raise funds for the American Diabetes Association and awareness of diabetes.

I wanted to see if the Princeton Photography Club members would be interested in volunteering their photography skills for our event. There are many angles for this event - from photos at the start area (celebrations, families, etc.) to areas out on the course. Our four routes (10, 30, 60, and 100 miles) pass through diverse towns and communities in the local area. We could even discuss making a photography contest out of this event.

For more details, I can be reached at (732) 469-7979 x3516. Thank you!
