

PPC Workshops are Starting Soon

Among the Fall Workshops are two that should be most interesting to those members who are wanting to learn to print more faithfully in Adobe Lightroom and those who want to learn how best to mat and frame their beautifully printed images.

Important notes:

- Workshop registration is open to PPC members only. Membership forms can be found [HERE](#).
- Most workshops are held at the D&R Greenway Land Trust Johnson Education Center off Rosedale Road in Princeton (where our monthly meetings are held). The Matting and Framing Workshop will take place at the Geisler's house.
- The [Early Bird Sign-up date is Monday, September 12th](#). You need only to pre-register to take advantage of the discount price.
 - To pre-register, send an email to PPCWorkshops@gmail.com or hrothgar99@comcast.net
- Send checks, payable to the Princeton Photography Club, to:

David Anderson, 12 East Prospect Street, Hopewell, NJ 08525
- Registration and payment can also be made at the September 14th General meeting.
- After each brief description below there is a link leading to a sheet with more details about the workshop and the dates and times for the sessions.
- If you have any questions, please email me or call me at 609-658-8551.

If you have even been disappointed when you compare your prints to your screen, this workshop is for you. Because there are so many moving parts it can be very confusing. In this workshop, Andrew will provide step-by-step advice to help you achieve the perfect print.

This workshop is ideal for those who have some working knowledge of Lightroom and inkjet printing (or printing with a photo lab), and who want to learn how to streamline the process and start making consistent, high quality, color-managed prints. [DETAILS](#)

Matting and Framing Your Images – Sheila Geisler (1 session) - **HELD AT SHEILA'S HOUSE**

Learn to mat and frame your own images in this hands-on class from our own expert, Sheila. This workshop will help you prepare your beautiful prints for hanging in one of our galleries or in other venues.

For this one workshop, you must pre-register but you can pay at the door when you arrive. Sheila will be emailing you a brochure with details about matting and framing before the class. [DETAILS](#)

For information about the other workshops starting in the Fall, see our August 15th Newsletter email.
