"Art+10 Around the World and Around the Block" Exhibition

Since the beginning of time artists have sought to render the landscape in their own fashion. And in their pursuit, they have searched the planet, and their own backyards, to find that quintessential moment - a moment when they become so moved by what they see that they need to express it in their own creative vocabulary.

Viewers will be treated to paintings and photographic images from Italy, specifically Tuscany and Venice, France (Paris), and Spain (the Alhambra and Cordoba). Closer to home we have works depicting landscapes and scenes from everyday life in New Jersey, Pennsylvania, Connecticut, Massachusetts, Oregon and Maine.

The artists participating in the show are Heather Barros, Jim Bongartz, Gail Bracegirdle, Betty Curtiss, Ryan Lilienthal, Katja De Ruyter, Fran Eber, Sandy O'Connor and Tasha O'Neill.

Art+10 has been in existence since 2012. Art+10 members are a diverse group of painters, watercolorist, and photographers who support each other in their creative endeavors.

View the work of these exceptional artists at Millstone River Gallery, Merwick Care and Rehabilitation Center, 100 Plainsboro Road, Plainsboro, NJ.

The AMERICANA Exhibition is returning!

The Pennsylvania Center for Photography in Doylestown PA will be doing a **club challenge** once again. As soon as we get the submission rules for Americana we will pass them on to you. We want to move into their additional room as the **invited club of distinction for the second year in a row!**

When you get that notice remember to submit your images and mark that you are from PPC. The Doylestown club said this year they had no intention of allowing us to beat them out. They expect it to be their room... NO WAY!

Right now we are the best, the biggest club on the East coast and we have no intention of them getting this room. So submit your images at the appropriate time and remember that both print and digital are accepted. Sheila will be ready to curate a show there for PPC so watch for information on the submission rules.
