Have you noticed?

The deed is done! Webmaster Olga Sergyeyeva has chosen the name [Achievements](#) for the former *Members News* webpage. It is a fitting name for our permanent record of members' exhibits and other accomplishments. The newsletter retains the name *Members News*.

Note that the newsletter editor will continue forwarding "good news" stories we receive to Olga for posting on *Achievements*. As in the past, there is no need for members to send their information to two addresses, or for us to process them twice for publication/posting. In other words, nothing has changed in the way you tell us about your upcoming exhibits, awards, publications, and presentations. Send them to JerryGerberPhoto@gmail.com.
