LIONEL and RUTH GOODMAN are showing Lionel's photographs, "Encounters on Nassau Street, and Ruth's paintings, "Mostly Black and White" in *The Gallery* at the **New Plainsboro Public Library, 9 Van Doren Street, Plainsboro NJ 08536**. The show runs from November 6 through December 4, 2010. Don't miss the **opening reception on Sunday, November 14, 3-5 pm**. Congratulations, Ruth and Lionel, on inaugurating this new gallery! JERRY SPIELMAN had a photograph selected for display in the Monroe Township Juried Art Show. The show runs from Monday, October 18 through Sunday, October 24, at the **Monroe Township Public Library** during regular library hours.

In a desperate move to get a *new* photo on the front page of this issue, we present one of your editor's "pbase-exhibited" images. It is part of a gallery that earned recognition, having been listed as the *42nd most popular gallery of the past seven-days* on Monday Dec. 18. Pbase, a photo-exhibiting website, likely has millions of galleries on simultaneous display, so being number 42 is actually a significant

accomplishment. The gallery amassed over 20,000 page views in three-days. It may be obvious, but should be noted that much of the credit goes to the model's incredible beauty and skilled posing.

Nudity Warning! This link to my pbase [workshop gallery](#) leads to images with full nudity. If you are underage, or would rather not see pictures of naked people, *do not go there*.

This image is one of several wonderful photographs captured by our group at the recent PPC live-model workshop. In our view the pilot project was phenomenally successful, thanks largely to the Geislars organizational efforts, and to Frank Veronsky and Jennifer Pierce, who provided the studio, instruction, and kind hospitality.

A NEW GALLERY FOR KINGSTON! - On Nov. 7, **Tasha O'Neill**, long-term PPC member and accomplished photographer, opens a new gallery for photography and other art with co-founder Joanna Tully. *Gallery At Verde* is located in Kingston, off Route 27 between the Eno Terra restaurant and the canal. Tasha's gallery is part of the *Artists Collective at Verde*. Read more details about the opening of the area's newest art gallery in this recent [Central Jersey.com article](#).

We will be among Tasha's many PPC friends stopping by, checking out the art, and wishing her well. A new area Gallery is always good news for PPC photographers. That Tasha is involved makes it even better!

Congratulations and best of luck, Tasha!

MAIA REIM's award-winning photo *Horses Graze* (shown in [recent issues](#)) is featured in the blog "[Our Henhouse](#)" in an article about using photography to advocate for animal rights. Good photo for a good cause!

Imminent!

SAMUEL VOVSI's image, *Stairway to Heaven*, ([see previous issue](#)), is in the [Gloucester County College opening reception of YEA! Yo Emerging Artists Project at 6:30 p.m. on Friday, October 22](#). Go to the Beitzel Art Gallery, in the College Center. [GCC CAMPUS MAP](#) [GCC GOOGLE MAP](#)

EDITORIAL

Too much of this issue is text. Ironically, because of the dearth of new images we are compelled to add more text:

- 1) Please **tell us** about your upcoming exhibits. Your fellow members want to know.
- 2) Please **include jpeg images** with your stories. An all-text newsletter is incredibly inappropriate for a photo club.
- 3) Please **let us know in time** for us to help boost attendance at your exhibits: two weeks in advance of the first day of your exhibit is the suggested *minimum* lead time.

Having said that, we *always* appreciate and welcome news stories, even when incomplete, or delivered with less than optimal timing.
