ANN DARLINGTON is extremely proud and excited to exhibit her photographs showing the hardships and joys of the subsistence farmers of Sakata, Malawi, Africa. Sakata is a small rural village in southeast Africa to which Ann traveled as member of a missionary group.

Ann extends a warm invitation to attend the free opening reception on January 15, from 7:00 - 9:00 pm!

Wild New Jersey Photo Contest PPC members earned two winning spots, including First Place, in the [2010 Wild New Jersey Photo Competition](#). Entries were accepted through November 30, 2010.

First Place!

ALLEN JONES' sparkling image, *Snowy day on the Canal*, won **First Place** in the Wild New Jersey photo contest - scenery category. Allen created this image on the Delaware and Raritan canal, just south of Griggstown.

Of the many photos Allen made on the bright day following a heavy nighttime snowfall, two aspects of this one swayed him to submit it. First was the color and tonal contrasts -- blue sky, white snow, and dark water. The second was a sense of depth and mystery, in our opinion enhanced by canal banks forming leading-lines from the lower frame-corners to a seemingly infinite distance.

Honorable Mention!

NATALIE MORAWSKY captured an **Honorable Mention** award in the Wild New Jersey photo Contest for her unique image of a gull on a Jersey beach.

This is Natalie's first public recognition of her photography, and it's really a double-winner! The competition organizers want to use her "Gull with Sea Star" for a page in the *2011 Wild New Jersey calendar!* We'll buy one!

Terrific photo Natalie! That starfish adds so much! **Congratulations on your photo and your first award!** We are looking forward to many more MN contributions from you. [See other Wild New Jersey Honorable Mention awards](#)
