In Robert's full size photo you can see that the artist (left) is drawing on a page of the New York Times.

Robert tells us, "While I'm still trying to find my niche, I'm starting to lean towards taking candid photos of people just being themselves." (We think you've done a great job at that, Bob. But, come to think of it we've never seen a bad photo from you in any genre. -- Editor)

Congratulations Robert! Beautiful work.

Patricia A. Bender

Patricia Bender has three images in Soho Photo's first *Small Works Competition*. Mark your calendar for the exhibit opening Tuesday, Feb 1st, 6-8 pm. The show runs through February 26th.

Soho Photo Gallery is an all-photography gallery located in the historic, interesting section of lower Manhattan (South of Houston Street) at:

For those who prefer to leave their automobiles at home, Soho Photo is accessible by subway from Penn Station.

Patricia says "given my love for small work, i'm thrilled to be included in this inaugural show which was (as stated in the prospectus) 'initiated to recognize those photographers who still enjoy the discipline of creating small masterpieces in an era when large photographs -- very large -- are in vogue.' "

Congratulations on your acceptances Patricia! Your lovely work continues to fascinate and intrigue us.

Patricia Bender (again!) extends a warm invitation to fellow PPC members and friends to attend *Visual Phrasing*, an exhibit at the

**Maloney Art Gallery,
Annunciation Center,
College of St. Elizabeth,
2 Convent Rd., Morristown, NJ.**

Visual Phrasing opens Thursday, Jan. 20, 4:30-7 pm, and runs through April 17.

Patricia: " [Mine] is an interactive installation piece, so i cannot send you an image as the work will change throughout the show. i would love it if my fellow PPCer's would stop by and participate. There will be a dance concert, music concerts and artists' talks throughout the course of the exhibition, all examining the 'phrase' in art. Promises to be interesting."

More Photos of the Week

Two more members were told that their competition submissions would be run as photos of the week later this winter by the website WildNewJersey.tv

In the Shadow of Wall Street

Samuel Vovsi

Wiebke Martens' *Hummingbird Moth* was photographed in his garden last summer.

Samuel Vovsi's *In the Shadow of Wall Street* was taken in urban Jersey City in an area referred to as "little Wall Street" because of its preponderance of financial offices and proximity to Manhattan.

Congratulations Samuel and Wiebke!

Hold The Press!

Just as we were about to send this issue off to the "distribution center" (a.k.a. Sheila Geisler), we received notice of a well-written, complimentary, and informative article about member **Ricardo Barros**. The author, Pat Summers, eloquently extols Ricardo's virtues as speaker and photographer, and discloses some personal and professional background you may not know.

THE FINE PRINT (SUBMISSION GUIDELINES)

Please read this. Then, SHARE NEWS of your photography awards, exhibitions, publications, and other public acknowledgments of merit by sending *your* images and story *directly* to the Newsletter Editor's inbox, JerryGerberPhoto@gmail.com . Your submission implies that you are OK with these Guidelines:

1. *Members News (MN)* mission is to celebrate and promote members whose photographs, or photography skills or knowledge has been publicly recognized as being of high merit. **We seek timely news** from members about their awards, exhibits, publications, and other public acknowledgements of excellence.
2. We don't seek out stories. We don't print stories from one club member about another. If *you* want *your* item in *MN*, send it to the editor yourself at JerryGerberPhoto@gmail.com, and identify it as "For Members News."

-
3. Everyone wants to see your Images! Include a couple of any size and format. Name your image files as: **Lastname_Firstname_ImageTitle.jpg**. (*MN* image labels derive from the file name.)
 4. Tell us the whole story. Include at least contact **info, and the "who, what, where, and when"** of your item. Extra info is better than too little. The editor likes to cut.
 5. **Your text may be quoted, and rewritten, or edited** for style, format, and content. **Your images will automatically be sized and processed** to a common *MN* format. **Press Releases also do not run as submitted.** They will be altered to fit the Newsletter style and format.
 6. Please do not send us material that is copyrighted or wholly or partly created by others. We do not publish magazine or book pages, web pages, or similar materials owned or created by others.
 7. Submit date-sensitive information at least three weeks before the event to help ensure timely coverage.
 8. Accepted stories will be distributed by email and posted on the PPC website.
 9. We try to get it right. If we err and you let us know, we'll print a correction in a following issue.
