PPC MEMBERS HUGELY SUCCESSFUL AT PERKINS!

Last week you read about Igor's Svibilsky's Juror's award and his two acceptances. You read that Joanne Donnelly and Olga Svibilsky will also have images gracing the walls of that old mansion in Moorestown. Now we have the rest of the story, and it's a good one! Look at the images below. Read the names of your fellow club members whose work was judged amongst the best in the greater Philadelphia-New Jersey-Delaware area --and beyond, then show up at the opening reception on **Sunday, January 30, 2011, 1:00 to 4:00 pm**. The Awards Ceremony starts at 2:30. All is free and open to the public.

THE FINE PRINT (SUBMISSION GUIDELINES)

Please read this. Then, SHARE NEWS of your photography awards, exhibitions, publications, and other public acknowledgments of merit by sending *your* images and story *directly* to the Newsletter Editor's inbox, JerryGerberPhoto@gmail.com . Your submission implies that you are OK with these Guidelines:

1. *Members News (MN)* mission is to celebrate and promote members whose photographs, or photography skills or knowledge has been publicly recognized as being of high merit. **We accept timely news from members about their awards, exhibits, publications, and other public acknowledgements of excellence.**
2. We don't seek out stories. We don't print stories from one club member about another. If *you want your* item in *MN*, send it to the editor yourself at JerryGerberPhoto@gmail.com, and identify it as "For Members News."
3. Everyone wants to see your Images! Include a couple of any size and format. Name your image files as: **Lastname_Firstname_ImageTitle.jpg**. (*MN* image labels derive from the file name.)
4. Tell us the whole story: Include at least contact **info, and the "who, what, where, and when"** of your item. Extra info is better than too little. The editor likes to cut.
5. **Your text may be quoted, and rewritten, or edited** for style, format, and content. **Your images will automatically be sized and processed** to a common *MN* format. **Press Releases also do not run as submitted.** They will be altered to fit the Newsletter style and format.
6. Please do not send us material that is copyrighted or wholly or partly created by others. We do not publish magazine or book pages, web pages, or similar materials owned or created by others.
7. Submit date-sensitive information at least three weeks before the event to help ensure timely coverage.
8. Accepted stories will be distributed by email and posted on the PPC website.
9. We try to get it right. If we err and you let us know, we'll print a correction in a following issue.
