Pictures *Not* At an Exhibition

David Steele's spectacular photograph was taken during one of last winter's storms. We recognize David's scene as the Princeton corner of Nassau and Witherspoon streets. Fortunately, those snowfalls remain only in memory and photographs. Unfortunately, this wonderful example of a well-crafted, enjoyable image is the last in our reservoir of non-exhibition images.

We hoped a steady stream of these would supplement our regular fare of show images, but, the stream turned out to be barely a trickle. So, unless our numerous non-exhibiting members share more of their good works, this feature is headed for extinction due to lack of interest and support. Such is the way with experiments.

Thanks so much, David, for braving the elements with camera and tripod, and especially for sharing your amazing photo with your club members!

Neil Persh has two images in the *17th Annual ASMP-NJ Photography Juried Competition and Exhibition*.

Congratulations on your success, Neil!

See the exhibit through May 31 at Unique Photo, 123 US Highway 46 in Fairfield, NJ. As part of the exhibit, Ellen Denuto will be speaking about the Classic Nude, on April 13, 7 - 9:30 PM.

What Members News is About

Members News' primary mission is to celebrate and promote those members whose photographs, photography knowledge, or photography skills have been publicly recognized as being of high merit. We report timely news from members about their awards, exhibits, publications, and other public acknowledgements of excellence. We may also publish non-exhibition photographs in support of secondary goals, such as broadening membership participation and fostering growth of members as photographers.

Submission Guidelines

Please read the following, then SHARE NEWS of your photography awards, exhibitions, publications, and other public acknowledgments of merit by sending *your* images and story *directly* to the Newsletter Editor's inbox, JerryGerberPhoto@gmail.com . If you don't exhibit regularly, just send us one or two of your best pictures. Fame and glory await!

1 How To Get Your "Good News" Into *Members News*

- If your photography has been recognized and you want to share the news with your club, send details to the editor at JerryGerberPhoto@gmail.com. Identify it as "For Members News."
- We don't scout out news. To protect privacy, we don't print stories from one club member about another. If you want your story told in these pages, you've got to write us about it yourself.

2 What To Send Us

- A) We accept timely news from members about their own awards, exhibits, publications, and other public acknowledgements of excellence. Include an image or two (any size and format).
- B) We also accept non-awarded, non-exhibition images from members who seldom exhibit. These will be published on an as-needed (not as-received) basis. Please send us your best work. NOTE: This feature is open only to members who have not had an image in *Members News* within the last 12 months or so.
- Less known members are invited to include a portrait and extremely brief bio with your submission. We'll run them too, space permitting.
- Name your image files as: **Lastname_Firstname_ImageTitle.jpg**. *This saves the editor time in preparing the newsletter.*
- For exhibition and award photos, tell us the whole story. Include at least contact info, and the *who, what, where, and when* of your exhibit, publication or whatever. Extra information is better than too little. The editor likes to cut.
- We respect copyright laws. Please do not send us material that is copyrighted or wholly or partly created by others. We do not publish magazine or book pages, web pages, or similar materials owned or created by others.

3 What We'll Do To Your Submission

- Your text will likely be edited or completely rewritten for style, format, and content. Your images will be automatically sized and processed to a common *MN* format. Press Releases may be rejected if they cannot be readily altered. If accepted, they will be changed to fit the Newsletter style, and format.
- Accepted stories and images will be incorporated in *Members News* which is distributed by e-mail and posted on the PPC web site. Images are offered to the webmaster for posting elsewhere on the PPC website.

4 When To Send It

- Submit date-sensitive information at least three weeks before the event to help ensure adequate and timely coverage.

5 When We Goof

- We try to get it right. If we err and you let us know, we'll print a correction in a following issue.
