Flower Power! **Reception Soon!**

Mary Leck has three photographs in the juried exhibit, *Power of the Flower*, at the Markeim Art Center at 104 Walnut Street, Haddonfield, NJ. The show runs from May 1 - May 30, with an opening reception on May 6th from 7-9 pm. Info: 856.429.8585 [MAP](#)

Congratulations on your three acceptances Mary!

To our eye, these images are more abstract than most of what frequent-contributor Mary Leck has published in *Members News*. We enjoy seeing successful results of growth, change, experiment, or whatever the artist attributes the difference to.

Pictures Not at an Exhibition

Our reserve of non-exhibition images is empty. Not willing to let a half-page sit unused, we've selected one of our own.

West 16th was taken last month from the vantage point of **High Line Park**, a former elevated rail-line recently converted to a two-mile stretch of north-south strolling park near 10th Avenue above Manhattan's lower west side.

In *West 16th*, reflections from a late afternoon sun play counterpoint to the pattern of brickwork that is the proud red face of these old Chelsea structures.

For this photographer the park's greatest asset is views of cavernous old commercial buildings juxtaposed with sprinklings of modern architecture (including a Frank Gehry building at 11th street), and glimpses of the Hudson to the west.

Steps allow access to the roughly twenty-foot high park every two blocks along its length. You will find an elevator at the 14th street entrance.

Anyone interested can see more High Line Park images at [the editor's pbase site](#).

What Members News is About

Members News' primary mission is to celebrate and promote those members whose photographs, photography knowledge, or photography skills have been publicly recognized as being of high merit. We report timely news from members about their awards, exhibits, publications, and other public acknowledgements of excellence. We may also publish non-exhibition photographs in support of secondary goals, such as broadening membership participation and fostering growth of members as photographers.

Submission Guidelines

Please read the following, then SHARE NEWS of your photography awards, exhibitions, publications, and other public acknowledgments of merit by sending *your* images and story *directly* to the Newsletter Editor's inbox, JerryGerberPhoto@gmail.com. If you don't exhibit regularly, just send us one or two of your best pictures. Fame and glory await!

1 How To Get Your "Good News" Into *Members News*

- If your photography has been recognized and you want to share the news with your club, send details to the editor at JerryGerberPhoto@gmail.com. Identify it as "For Members News."
- We don't scout out news. To protect privacy, we don't print stories from one club member about another. If you want your story told in these pages, you've got to write us about it yourself.

2 What To Send Us

- A) We accept timely news from members about their own awards, exhibits, publications, and other public acknowledgements of excellence. Include an image or two (any size and format).
- B) We also accept non-awarded, non-exhibition images from members who seldom exhibit. These will be published on an as-needed (not as-received) basis. Please send us your best work. NOTE: This feature is open only to members who have not had an image in *Members News* within the last 12 months or so.
- Less known members are invited to include a portrait and extremely brief bio with your submission. We'll run them too, space permitting.
- Re-name your image files as: **Lastname_Firstname_ImageTitle.jpg**
(Example: Gerber_Jerry_MisplacedChair.jpg). Thanks for your effort It saves us preparation time and errors.
- For exhibition and award photos, tell us the whole story. Include at least contact info, and the *who, what, where, and when* of your exhibit, opening, publication or whatever. Extra information is better than too little. The editor likes to cut.
- We respect copyright laws. Please do not send us material that is copyrighted or wholly or partly created by others. We do not publish magazine or book pages, web pages, or similar materials owned or created by others.

3 What We'll Do To Your Submission

- Your text will likely be edited or completely rewritten for style, format, and content. Your images will be automatically sized and processed to a common *MN* format. Press Releases may be rejected if they cannot be readily altered. If accepted, they will be changed to fit the Newsletter style, and format.
- Accepted stories and images will run in *Members News* which is distributed by e-mail and posted on the PPC web site. Images are offered to the webmaster for posting elsewhere on the PPC website.

4 When To Send It

- Submit date-sensitive information at least three weeks before the event to help ensure timely coverage.

5 When We Goof

- We try to get it right. If we err and you let us know, we'll print a correction in a following issue.
