"Amazing" **Igor Svibilsky** won a Merit Award in B&W Magazine's portfolio contest! The "amazing" title comes because this is Igor's second consecutive year winning this award from the prestigious B&W Magazine. We don't yet know which portfolio won, as he submitted two. We'll know soon. Igor tells us publication of his winning portfolio may happen in June.

Congratulations Igor! We look forward to sharing some of your award-winning images with the club.

Samuel Vovsi's image "Beach of Rodanthe" won a bronze award in *The Epson Pano Awards* competition. Sam's inviting image was captured in Rodanthe, North Carolina on Hatteras Island in the Outer Banks. The beach town received fame beyond its tourism reputation through the 2002 Nicholas Sparks novel, *Nights in Rodanthe*, and more recently from the 2008 movie adaptation of that book. Samuel created his expansive panoramic view by using a standard format camera, then cropping to create a width to height ratio greater than 2:1 Congratulations on your wining photograph Samuel!

What Members News is About

Members News' primary mission is to celebrate and promote those members whose photographs, photography knowledge, or photography skills have been publicly recognized as being of high merit. We report timely news from members about their awards, exhibits, publications, and other public acknowledgements of excellence. We may also publish non-exhibition photographs in support of secondary goals, such as broadening membership participation and fostering growth of members as photographers.

Submission Guidelines

Please read the following, then SHARE NEWS of your photography awards, exhibitions, publications, and other public acknowledgments of merit by sending *your* images and story *directly* to the Newsletter Editor's inbox, JerryGerberPhoto@gmail.com . If you don't exhibit regularly, just send us one or two of your best pictures. Fame and glory await!

1 How To Get Your "Good News" Into *Members News*

- If your photography has been recognized and you want to share the news with your club, send details to the editor at JerryGerberPhoto@gmail.com. Identify it as "For Members News."
- We don't scout out news. To protect privacy, we don't print stories from one club member about another. If you want your story told in these pages, you've got to write us about it yourself.

2 What To Send Us

- A) We accept timely news from members about their own awards, exhibits, publications, and other public acknowledgements of excellence. Include an image or two (any size and format).
- B) We also accept non-awarded, non-exhibition images from members who seldom exhibit. These will be published on an as-needed (not as-received) basis. Please send us your best work. NOTE: This feature is open only to members who have not had an image in *Members News* within the last 12 months or so.
- Less known members are invited to include a portrait and extremely brief bio with your submission. We'll run them too, space permitting.
- Re-name your image files as: **Lastname_Firstname_ImageTitle.jpg**
(Example: Gerber_Jerry_MisplacedChair.jpg). Thanks for your effort It saves us preparation time and errors.
- For exhibition and award photos, tell us the whole story. Include at least contact info, and the *who*, *what*, *where*, and *when* of your exhibit, opening, publication or whatever. Extra information is better than too little. The editor likes to cut.
- We respect copyright laws. Please do not send us material that is copyrighted or wholly or partly created by others. We do not publish magazine or book pages, web pages, or similar materials owned or created by others.

3 What We'll Do To Your Submission

- Your text will likely be edited or completely rewritten for style, format, and content. Your images will be automatically sized and processed to a common *MN* format. Press Releases may be rejected if they cannot be readily altered. If accepted, they will be changed to fit the Newsletter style, and format.
- Accepted stories and images will run in *Members News* which is distributed by e-mail and posted on the PPC web site. Images are offered to the webmaster for posting elsewhere on the PPC website.

4 When To Send It

- Submit date-sensitive information at least three weeks before the event to help ensure timely coverage.

5 When We Goof

- We try to get it right. If we err and you let us know, we'll print a correction in a following issue.
