Big 3 is Coming!

You can feel the excitement building over "*Big 3*," the cooperative exhibit by members of the area's three largest photo clubs. Cranbury Digital Camera Club, Princeton Photography Club, and Raritan Photographic Society will share the hallways of the Princeton Alliance Church's Art Way Gallery. Each club selected the best of its members' submissions for the group exhibit. All three organizations include several excellent photographers, so we are anticipating a strong show.

Terry Lyons and Samuel Vovsi will each have three photographs in the show. They (and your editor in the last issue) shared their images with *Members News* readers as a mini-preview before the opening.

According to Art Way Gallery board-member Sheila Geisler (better known as "First Lady" in our club) the complete list of PPC members showing at Big 3 includes:

Alan Kesselhaut, Alex Schwarz, Alice Grebanier, Anne Stefane, Barbara Warren, Ilya Genin, Jay J. Brandinger, Jerry Gerber, India Blake, John Wells, Johnathan Michalik, Karl Traul, Kevin Perry, Richard Trenner, Samuel Vovsi, Terry Lyons, Vita Forlenza, and Walt Varan.

Congratulations to each of those in the three clubs who had their work accepted, and special thanks to those PPCers who have forwarded (*and will forward*) their images to *Members News*.

Join the party at the Opening Reception and Award Ceremony on Friday, October 21st, from 6:30 to 10:00 pm. Rick Wright, Philadelphia-based fine-art photographer and photography educator, will present awards. Art Way openings are always welcoming!

Art Way Gallery is located in the Princeton Alliance Church,
20 Schalks Crossing Road, Plainsboro, NJ. 08536

Terry Lyons' "Patriot's Garage" is on display in the current *9/11 Memorial Exhibit* at Art Way Gallery in the Princeton Alliance Church, in Plainsboro, NJ.

Jerry Spielman's image, "Christmas in Princeton," is showing in *When Winter Comes*, the South Brunswick Arts Commission's current juried exhibit. See the show in the Gallery of the South Brunswick Municipal Building, 540 Route 522, Monmouth Junction, open now through December 26.

Who Moved My *Member Websites*?

Right about here, regular readers expect to see our ever-growing list of links to *Member Websites*. It is now on the last page -- not to denigrate its importance, but because it is "reference," rather than "reading" material. It serves best out of the stream of text, and where it can be easily found.

Use the list to see much more of your fellow member's photography than fits in these pages.

Things to Come

You are reading what is likely the next to last --possibly the last-- issue under the present Editor. Thanks so much for your attention over the last couple of years.

Terry Lyons stepped forward and volunteered to take on the job of helping inform the club about our exhibits, publications, and other public photography activities. The exact form and format of that communication is still being determined. Thank you Terry!

Through October 15, send news and images to the present editor at the address under the masthead on page 1.

Starting October 16, send your news and images to Terry at terry.lyons@yahoo.com.

What Members News is About

Members News celebrates and promotes Princeton Photography Club members whose photographs, photography knowledge, or skills have been publicly recognized. We are a source of timely information for members wanting to support their fellow club members' activities by attending their exhibitions and participating in other activities. We help members know each other and each other's work.

To these ends *Members News* solicits and reports news and images from members about their own upcoming exhibits, openings, publications, lectures, classes, and other public photographic activities. We also publish non-exhibition-photographs and a list of members' photography websites.

Members News is compiled and written by the editor on behalf of the membership. Unless stated otherwise opinions and policies are those of the editor, and do not necessarily reflect sentiments of other club members, including club officers.

Information for Contributors

Please read the following, then submit your news, images, or photo-website link *directly* to the Newsletter Editor.

1. How To Get Your Item Into *Members News*

- **E-mail the editor** about it yourself. We don't scout out news. To protect privacy and honor individual preferences, we don't print stories from one club member about another. If you want your story told on these pages before it is public knowledge, you've got to e-mail it to the editor yourself.

2 What to Send

- Send
 - 1) timely news about your own upcoming exhibits, publications, and other public events, such as photography lectures or classes you will be teaching.
 - 2) non-exhibition images from members who seldom exhibit. These will be published on an as-needed basis. Please send us work you are proud of. This feature is open to members who have not had an image in *Members News* within the last six months or so.
 - 3) links to members' own photography websites for inclusion in the **PPC Members' Websites** list.
- E-mail your submission directly to the editor, subject: "Members News."
- Include an image or two (any size, filetype, and color space) with your exhibition announcement. Name image files as: **Lastname_Firstname_ImageTitle.jpg** (Example: Gerber_Jerry_LostToy.jpg). *We need title and artist attached to the image-file, to ensure correct labeling.*
- Don't concern yourself at all with the quality of your writing, but please give us accurate information. Tell us everything that an uninformed reader would need to attend your event or acquire your publication. For exhibitions and award ceremonies include as much of these as you can: **venue name and address; contact information; opening, opening reception, and closing dates; exhibit times; event fees (if any); and other useful or interesting information.** For publications tell us **publication name, cover-date or volume, and in-store date**, as known. Extra information is better than too little. The editor likes to cut.
- We respect copyright laws. Please do not send material that is copyrighted or wholly or partly created by others. We do not publish magazine or book pages, web pages, or materials owned or created by others.

3 When To Send

- September through June, submit date-sensitive information three weeks before the event to ensure timely coverage. Double that time for events from July through September. If you can't give us that much lead, send your item anyway. Sometimes it works.

4 What We'll Do To Your Submission

- Your text will likely be edited or completely rewritten for style, format, and content. Your images will be re-sized and processed to the *MN* standard format. Press Releases may be rejected if they cannot be readily altered. If accepted, they will be changed to fit the Newsletter style, and format.
- Accepted stories, images, and links will run in *Members News*, a newsletter which is distributed by e-mail to club members and beyond, and posted on the *Newsletter* page of the PPC web site. Images are offered to the PPC webmaster for possible posting elsewhere on our website.

5 When We Goof

- We try to get it right. If we err and you let us know, we'll print a correction in a regular following issue.

6 Need help? Have questions?

- Drop the editor an e-mail.
