About 'Members News'

Members News celebrates and promotes Princeton Photography Club members whose photographs, photography knowledge, or skills have been publicly recognized. We are a source of timely information for members wanting to support their fellow club members' activities by attending their exhibitions and participating in other activities. We help members know each other and each other's work.

To these ends *Members News* solicits and reports news and s from members about their own upcoming exhibits, openings, publications, lectures, classes, and other public photographic activities. We also publish non-exhibition-photographs and a list of members' photography websites.

Members News is compiled and written by the editor on behalf of the membership. Unless stated otherwise opinions and policies are those of the editor, and do not necessarily reflect sentiments of other club members, including club officers.

Submission Guidelines

Please read the following, and then submit your news, s, or photo-website link *directly* to the Newsletter Editor.

1. How To Get Your Item Into *Members News*

- **E-mail the editor** about it yourself. We don't scout out news. To protect privacy and honor individual preferences, we don't print stories from one club member about another. If you want your story told on these pages before it is public knowledge, you've got to e-mail it to the editor yourself.

2 What to Send

- Send
 - 1) timely news about your own upcoming exhibits, publications, and other public events, such as photography lectures or classes you will be teaching.
 - 2) non-exhibition s from members who seldom exhibit. These will be published on an as-needed basis. Please send us work you are proud of. This feature is open to members who have not had an in *Members News* within the last six months or so.
 - 3) links to members' own photography websites for inclusion in the **PPC Members' Websites** list.
- [E-mail your submission](#) directly to the editor, subject: "Members News."
- Include an image or two (any size, file type, and color space) with your exhibition announcement. Name files as: **Lastname_Firstname_Title.jpg** (Example: Gerber_Jerry_LostToy.jpg). *We need title and artist attached to the -file, to ensure correct labeling.*
- Don't concern yourself at all with the quality of your writing, but please give us accurate information. Tell us everything that an uninformed reader would need to attend your event or acquire your publication. For exhibitions and award ceremonies include as much of these as you can: **venue name and address; contact information; opening, opening reception, and closing dates; exhibit times; event fees (if any); and other useful or interesting information.** For publications tell us **publication name, cover-date or volume, and in-store date**, as known. Extra information is better than too little. The editor likes to cut.
- We respect copyright laws. Please **do not send** material that is copyrighted or wholly or partly created by others. We do not publish magazine or book pages, web pages, or materials owned or created by others.

3 When To Send

- September through June, submit date-sensitive information three weeks before the event to ensure timely coverage. Double that time for events from July through September. If you can't give us that much lead, send your item anyway. Sometimes it works.

4 What We'll Do To Your Submission

- Your text will likely be edited or completely rewritten for style, format, and content. Your s will be re-sized and processed to the *MN* standard format. Press Releases may be rejected if they cannot be readily altered. If accepted, they will be changed to fit the Newsletter style, and format.
- Accepted stories, s, and links will run in *Members News*, a newsletter that is distributed by e-mail to club members and beyond, and posted on the *Newsletter* page of the PPC web site. Content is offered to the PPC Webmaster for possible posting elsewhere on our website.

5 When We Goof

- We try to get it right. If we err and you let us know, we'll print a correction in a regular following issue.
