Submission Guidelines

The submission guidelines were changed for the year 2012. Please read and then submit your news, images, or photo-website link to the Newsletter Editor.

What to Send

- Send timely news about your own upcoming exhibits, publications, and other public events, such as photography lectures or classes you will be teaching.
 - 1) non-exhibition images from members who seldom exhibit. These will be published on an as-needed basis. Please send us work you are proud of. This feature is open to members who have not had an in *Members News* within the last six months or so.
 - 2) links to members' own photography websites for inclusion in the **PPC Members' Websites** list.

Include an image with your exhibition announcement. If you can edit your photos, please make the size 400px wide (if landscape) and 400px tall (if portrait). Scale to 100ppi. **Do not add your own byline and title.** The editor will add and size according to the number of images on the page. If you are unable to format your pictures in this way then send the submission images you sent to the gallery show. If this is not the case then the editor will take the full resolution image but he is trying to cut down on large image files being sent by email. (think of it as being 'green' for pixels)

- Name files as: **Title by Firstname Lastname.jpg** (Example: *Lost Toy by Jerry Gerber.jpg*).

Please note: If you have multiple images selected for a show, the MN Newsletter editor **may show only one** if the show occurs during a time when many members are also having multiple images selected. With over 200 superb artists in our club, we simply cannot print every and all images that month at one time.

- Please give us accurate information. Tell us everything that an uninformed reader would need to attend your event or acquire your publication. For exhibitions and award ceremonies include as much of these as you can: **venue name and address; contact information; opening, opening reception, and closing dates; exhibit times; event fees (if any); and other useful or interesting information.** For publications tell us **publication name, cover-date or volume, and in-store date**, as known. Extra information is better than too little. The editor likes to cut depending on his mood.
- We respect copyright laws. Please do not send material that is copyrighted or wholly or partly created by others. We do not publish magazine or book pages, web pages, or materials owned or created by others.

When To Send

- Submit date-sensitive information four to six weeks before the event to ensure timely coverage.

What We'll Do To Your Submission

- Your text will likely be edited or completely rewritten for style, format, and content. Your image will be re-sized and processed to the *MN* standard format. If accepted, they will be changed to fit the Newsletter style, and format.

When We Goof (and that will happen regularly)

- We try to get it right. If we err and you let us know, we'll print a correction in a regular following issue.
