The Summer Edition

So let's start with a recap of summer exhibitions and awards!

Lima News

Sandra Shapiro

Many congrats are in order for PPC members who exhibited in the "Annual Juried Show" at Gallery 14 in Hopewell this summer. The show ended on August 11, but for those who may have missed it, I was lucky enough to receive a few engaging images to share with you from exhibitors **Sandy Shapiro** and **Samuel Vovsi**.

And speaking of **Samuel Vovsi**, he's been pretty busy this summer. Two of his images, "**Behind the Fence**" and "**Twisted**", were included in a show that exhibited through June at the J.B. Kline Gallery in Lambertville.

Samuel's images "**Showtime**"(also exhibited in the Gallery 14 show) and "**Sunset Over Ft. Lauderdale**" won bronze awards at the 2012 Epson International Pano Awards. A little about the Pano Awards: this is an international, online exhibition, founded in 2009, with Epson as the lead sponsor. Their objective is "to give the genre of panoramic photography its day in the sun" - and indeed they do, the images are stunning. There were two submission categories this year, Nature and The Built Environment. Here are Samuel's gems:

Two PPC members, **Alan Kesselhaut** and **Madelaine Shellaby**, were award winners in the photo competition sponsored by the new University Medical Center of Princeton in Plainsboro. About this competition, Alan says, *"It was open to all photographers in the area. We had access to the entire hospital before any patients were transferred from the old Princeton Medical Center. Great fun. Photographers were asked to submit 3 images in each of 2 categories, exterior and interior."* Alan's photo was awarded 2nd place in the Exterior competition, and Madelaine received two purchase awards for her images.

Madelaine also had a show this summer at J&J's World Headquarters as part of the New Jersey Artist Series.

Back to **Samuel Vovsi**, his image **"Dead End"** was on display at the Prince Street Gallery in NYC as part of the Trenton Artists Workshop Association (TAWA) juried show "Trenton Makes". (I've got one more thing to tell you about Samuel (and TAWA), but I've saved it for the "See It Now!" section.)

A Noteworthy Presentation of a PPC Member's work:

A Princeton Theological Seminary trustee has presented "**Silent Light**", a photograph by PPC member **Richard Trenner**, to Dr. Iain R. Torrance, President of the Seminary, who will be retiring on December 31, 2012. Richard made "Silent Light" in Miller Chapel, where the Seminary community has worshipped since 1834.

Well, that's all I've got for the Summer recap. Kudos to all members who had their work out there this summer.

See it Now!

And now for some items from the "It's Not Too Late!" file:

- Check out the October issue (yes, it's August, but October issue is out *now*) of Black & White magazine. Member **Ilya Genin** received B&W's "Spotlight" award for his portfolio series "**Human Kind**", another beautiful series from his travels in Cuba. The B&W issue includes four of Ilya's images from Havana, along with a nice one-page article. "Human Kind" is showing along with Ilya's "**Soy Cuba**" series at the Art Way Gallery in Plainsboro, now through October 7th. (Don't forget the reception on September 7th!)

- Through September 1: **Samuel Vovsi's "Go Fish"**, is on display as part of the TAWA "Trenton Makes" juried exhibition at the Ellarslie Museum in Trenton.

Submission Guidelines

The submission guidelines were changed for the year 2012. Please read and then submit your news, images, or photo-website link to the Newsletter Editor.

What to Send

- Send timely news about your own upcoming exhibits, publications, and other public events, such as photography lectures or classes you will be teaching.
 - 1) non-exhibition images from members who seldom exhibit. These will be published on an as-needed basis. Please send us work you are proud of. This feature is open to members who have not had an in *Members News* within the last six months or so.
 - 2) links to members' own photography websites for inclusion in the **PPC Members' Websites** list.

Include an image with your exhibition announcement. If you can edit your photos, please make the size 400px wide (if landscape) and 400px tall (if portrait). Scale to 100ppi. **Do not add your own byline and title.** The editor will add and size according to the number of images on the page. If you are unable to format your pictures in this way then send the submission images you sent to the gallery show. If this is not the case then the editor will take the full resolution image but he is trying to cut down on large image files being sent by email. (think of it as being 'green' for pixels)

- Name files as: **Title by Firstname Lastname.jpg** (Example: *Lost Toy by Jerry Gerber.jpg*).

Please note: If you have multiple images selected for a show, the MN Newsletter editor **may show only one** if the show occurs during a time when many members are also having multiple images selected. With over 200 superb artists in our club, we simply cannot print every and all images that month at one time.

- Please give us accurate information. Tell us everything that an uninformed reader would need to attend your event or acquire your publication. For exhibitions and award ceremonies include as much of these as you can: **venue name and address; contact information; opening, opening reception, and closing dates; exhibit times; event fees (if any); and other useful or interesting information.** For publications tell us **publication name, cover-date or volume, and in-store date**, as known. Extra information is better than too little. The editor likes to cut depending on his mood.
- We respect copyright laws. Please do not send material that is copyrighted or wholly or partly created by others. We do not publish magazine or book pages, web pages, or materials owned or created by others.

When To Send

- Submit date-sensitive information four to six weeks before the event to ensure timely coverage.

What We'll Do To Your Submission

- Your text will likely be edited or completely rewritten for style, format, and content. Your image will be re-sized and processed to the *MN* standard format. If accepted, they will be changed to fit the Newsletter style, and format.

When We Goof (and that will happen regularly)

- We try to get it right. If we err and you let us know, we'll print a correction in a regular following issue.
