Got Time to Brainstorm?

There is a growing amount of *time-critical* news and information to share with PPC members. We would like to get a few members together to "brainstorm" some ideas for disseminating information to members in a timely, consolidated way. Should the MN be expanded and printed bi-monthly? Weekly? Do we publish to the web? How can we reduce the number of emails that need to be issued? Got time to discuss? Contact Ginny gveltppc@gmail.com or Sheila sgeisler@rci.rutgers.edu

Do you *still* [Like](#) Us??

The Princeton Photography Club has a [Facebook](#) page where you can ask questions about cameras, lenses, technique, photo history and artistry, Photoshop, Lightroom, workshops, shows or exhibits, or perhaps just to brag a little bit (ok, a whole lot!). [Click here to join!](#)

MN Submission Guidelines

When preparing images for submission to the newsletter, it is no longer necessary to add the Title and you name below the image. To keep the size and format of this information consistent for all images, the MN editor will add this information when preparing the newsletter.

What to Send

- Images and timely news about your own upcoming exhibits, publications, and other public events, such as photography lectures or classes you will be teaching. If possible, include an exhibition announcement with your image.
- Non-exhibition images from members who seldom exhibit. These will be published on an as-needed basis. Send us work you are most proud of!
- Links to members' own photography websites for inclusion in the **PPC Members' Websites** list.

How to Send:

- Images should be sent as **.jpg**
- Resize images to 240 pixels height, with 100 dpi resolution.

Having trouble preparing your image? Contact me! gveltppc@gmail.com

Send details:

Please give us accurate information. Tell us everything that an uninformed reader would need to attend your event or acquire your publication. For exhibitions and award ceremonies, give us the details, such as ***venue name and address, contact information, website, opening and closing dates, opening reception, exhibit times, event fees, etc.***

For publications, tell us ***publication name, cover-date or volume, and in-store date***, as known. Extra information is better than too little!

If you have multiple images selected for a show, the MN Newsletter editor **may show only one** if the show occurs during a time when many members are also having multiple images selected. With over 200 superb artists in our club, we may not always be able to print all images.

We respect copyright laws. Please **do not send** material that is copyrighted or wholly or partly created by others. We do not publish magazine or book pages, web pages, or materials owned or created by others.

When To Send

- September through June: submit date-sensitive information three weeks before the event to ensure timely coverage.
- July through September: give a *minimum* of three weeks. If you can't give us that much lead, send your item anyway. Sometimes it works.

What We'll Do With Your Submission

Your text may be edited or completely rewritten for style, format, and content. If necessary, your image will be re-sized and processed to the *MN* standard format.

When We Goof (yes, it happens...)

We try to get it right. If we err and you let us know, we'll print a correction in a subsequent issue.
